## Our Mission

The mission of Teen Challenge of Wisconsin is to help youth, adults and families with life-controlling problems become established in society through faith-based mentoring, counseling, education and job training.

## History of Teen Challenge

The first Teen Challenge center was founded by David Wilkerson in Brooklyn, New York in 1958. The story of its founding is told in the best selling book, The Cross and The Switchblade.

Milwaukee Teen Challenge was founded in 1983 by a group of concerned businessmen and ministers. Its residential program for men was opened in 1989. The women's program was opened in September 1999.

Teen Challenge operates 1000 centers worldwide, 300 in the United States and 2 in Milwaukee. All of these centers combined offer more than 3,471 beds to clients in need.

## Teen Challenge Today

Teen Challenge of Wisconsin has more men and women in the program than ever before. We have a total of 100 beds. We have 60 beds for men, 30 beds for women and 10 beds for staff.

A study by Northwestern University confirmed a success rate for our graduates of over 80%.

Teen Challenge is the largest rehabilitation network in the world working with drug addicts.
